

**PRECISION LUBRICANTS**

## *Asphalt Release Agents*

### *Features*

- *Superior open grade performance*
- *Decrease maintainence*
- *Non toxic, no fumes*
- *Does not negatively effect asphalt or equipment*
- *Does not harm paintwork*
- *Ready to use, does not require mixing*
- *Allows for multiple truckloads per application*
- *Suitable for trays, paving equipment, drag chains*
- *Utilizes convenient, advanced filming technology*

### *Benefits*

- *Prevents build up on machinery*
- *Reduced costs*
- *User friendly*
- *Superior outcome*
- *Minimizes maintainence costs*
- *Easy to use*
- *Time and cost effective*
- *Multiple uses*
- *Requires low application rates*
